

GARDEN SUPPLIES OF ALL KINDS
Design | Planting | Construction | Maintenance

Donation Request Program

Piala's Nursery & Garden Shop, Inc. is committed to positively impacting the community it serves by providing assistance to local schools, churches, organizations and charities. We are happy to support your fundraising endeavors through the donation of a Piala's Nursery gift certificate or Garden Shop specialty item.

Our donation request policy has been developed as a way to create consistency and fairness to organizations that ask for our support. Please be aware that Piala's Nursery receives numerous requests and that we attempt to fulfill as many requests as possible but cannot guarantee that every donation request will be met.

In an effort to fulfill as many requests as possible, Piala's Nursery & Garden Shop, Inc. will only honor one request per organization per calendar year. The Donation Request Form must be filled out completely for us to process your request. Please allow a minimum of two weeks to process your donation request.

All donation requests must be submitted by completing the Piala's Nursery Donation Request Form and returning it at least two weeks prior to the event date. The completed Donation Request form may be submitted by mail, email or given to a member of the nursery management team.
