

## Contractor Discount Business Registration

Piala's Nursery and Garden Shop, Inc offers registered contractors discounted pricing on select plants and materials. To apply for this discount please submit the following information:

- ✓ A copy of your driver's license
- ✓ A copy of your Wisconsin state business permit (not required for a sole proprietor)
- ✓ A copy of your business card

We can copy your original documents if you would like to expedite your application process.

### Tax Exempt

If you are tax exempt, we will need a completed Wisconsin tax exempt form (S-211) on file. You can obtain the form online at <https://www.revenue.wi.gov/forms/sales/s-211.pdf> or we will provide the form to you.

### What to Expect

The Business Office at Piala's Nursery will need a minimum of 1-2 business days to process all new contractors and tax exempt client applications. Once your application has been processed our retail staff will be informed and your new status will be updated in our computer system. Before checking out please notify the cashier of your business name and status to ensure your purchases are processed properly.

**The first time you purchase materials with your contractor account you must pay with a business check or credit card.** Future purchases can be paid with a business check, charge or cash.

Piala's Warranty does not apply to plant materials purchased through a contractor discount account. We look forward to serving you and your business.

Thank You
