Plant Diagnostic Form

Date: _____

Customer Name: _____

Phone Number: _____ Email: _____

Sales Receipt # (upper right corner): _____

Type & size of plant(s) in question: _____

When was the plant planted? _____

Have you contacted Piala's previously for help or questions about this plant? YES or NO

If yes, what was recommended? _____

What is your care and maintenance routine? (How much and how often do you water, fertilize and/or prune) Include anything you have done to correct the decline or problem you are seeing.

How has this plant looked over the last 4-6 weeks? Please describe the environment (sun/shade, soil conditions, proximity to house and orientation) where it was planted and your care and maintenance information.

(Example: Leaves turned brown and brittle overnight. It is planted in full sun, in rocky/sandy soil that I added peat moss and compost to at the time of planting. Placement is 6' off the SW corner of the house near a downspout. I water every day and mix in Miracle Gro with the water.)

Please send pictures to sales@pialasnursery.com for review before digging up or bringing the plant into the store. Evaluations for plant replacement will occur after June 15th. If date of purchase was prior to June 15th, the guarantee will be extended to June 15th of the second year.
